**Youth**

Club member, Ken Walker, who in the past has been involved with youth nature programs, recently contacted Nature NB regarding our club becoming involved with nature programs for young people in Miramichi. Below is her response to Ken, who will be meeting with Melissa Friday March 27<sup>th</sup>.

Hi Ken,

Thanks so much for your e-mail.

Nature NB would absolutely love to have a Young Naturalists Club in Miramichi!

As YNC Coordinator, I help facilitate the creation of clubs and also am here as a resource and support person for the duration.

This coming year, we're actually hoping to get funding to improve the YNC and offer more hands-on support for leaders. We have a lot of ideas on how to make the YNC better for leaders, but we're looking for input from others as well. This spring, I am setting up meetings with all our current YNC leaders to get ideas from them on how to better the club. Although you aren't yet a leader, I think it would be great idea to get some of your input as well... For example, as someone who has an interest in starting a club, what resources would you like to see? What would make things easy for you as a potential leader? It would also be great just to meet with you and chat about the YNC in general.

Would you be up for having a chat sometime over coffee? If so, we can set up a date sometime this spring. Let me know!

Melissa Fulton, MSc  
Programs Coordinator  
Nature NB

**Submit your sightings of "Spring Things"**

Who will be the first to spot a Coltsfoot in bloom?

Who will be the first to see or hear a returning Song Sparrow?

**Some of Nature NB's Youth Initiatives:**

1. [Young Naturalists' Club](#)
2. Magazine of the New Brunswick Young Naturalists' Club (sample) [naturekids preview](#)

Members of the public are invited to submit wildlife sightings, anecdotes about "encounters with nature", photos of wildlife and plants, questions, identity request of plants and animals, advice about interesting hiking locations, events of interest to naturalists with all levels of experience, and so on.

Email Peter at [Gadd1313@nb.sympatico.ca](mailto:Gadd1313@nb.sympatico.ca) ph (506)622-1313 or (506)625-2509

**The club holds its regular meetings on the second Monday of the month (Sept. to June) at the Senior Citizens' Centre, Sutton Road, Nelson-Miramichi, NB 6:30 p.m. Everyone welcome - The only qualification needed is an interest in nature!**
